Government Circular Memorandum.

Under paragraph 12 of Administration Circular No.6 accompanying Government Resolution, Relief and Rehabilitation No.R.179,dated the 10th December 1948, a monthly verification of stocks, stores, etc. in all relief camps has been laid down. It is considered that this alone is not adequate from the point of view of keeping proper account of such stores and stocks. The Director of Rehabilitation, the Collectors concerned and the Chief Administrator, Kolhapur, are therefore requested to make arrangements for independent periodical surprise verification of stocks and stores in relief camps under their respective control. The result of such verification should be reported to Government, the Director of Rehabilitation and the Accountant General, as soon as this is complete.

2. The Director, the Collectors concerned and the Chief Administrator, Kolhapur, are requested to intimate to Government as early as possible what arrangements are proposed to be made in this regard.
